Dear Todd

I want to congratulate you on the successful Snag Golf programme you ran at Finlayson Park School.

It was a wonderful experience for all of the students involved from Year 1 to Year 4. The activities you organised and the skills the teachers and students learned has really raised the profile of Golf both competitively and for enjoyment.

Teachers Comments:

“My class really enjoyed the lessons. The instructions were delivered appropriately and Todd always remembered to cover the safety aspects of each lesson. It was awesome to see my kids blossom in a sport they may have never been able to experience any other time”. Bronwyn Liaki (Teacher)

“Todd was able to motivate children & very quickly & clearly explain the requirements. Lesson experiences were fast paced but still allowed for sufficient practise as students were able to attempt new skills. Todd went round to monitor help students, i.e. correct holding of the club, correct positioning. He recapped focus & extended with a little bit of new knowledge.” Wendy Hansen (Teacher)

As a School Sports Coordinator I wish to thank you Todd for your professionalism, flexibility and willingness to meet our requirements. We also appreciate the extra time and effort you made to attend our Finlayson Park Family Fun Evening to allow our parents and wider community to participate in Golf.

We would love to have you back to our school in the future and I would fully recommend you programme to any other school or community group.

Yours sincerely
