# SNAG Golf After School Programme

**Kiwi kids deserve an after school programme that is FUN, CHALLENGING & SAFE. That's why we've created a SNAG Golf Programme that ticks all of those boxes and is convenient for parents to drop off and pick up at a locations close to home.**

We believe that every Kiwi kid deserves to experience the unique and lifelong enrichment that golf provides.

That's why we have designed a six week programme that takes them on a journey from swinging a club for the first time to playing a few holes and counting their shots.

The SNAG equipment is perfect at teaching the fundamentals of golf where success and enjoyment are the guiding principles.

The SNAG Golf After School Programme is the ideal stepping stone for kids wanting to get into golf for the first time and for parents wanting to see their kids learn a sport that they will take with them into their future careers.

## HOW TO REGISTER?

Visit our website [snaggolf.co.nz](http://snaggolf.co.nz) book and pay for your child using our secure payment facility. We will do the rest.

## WHAT THEY LEARN?

Everyone will learn the fundamentals skills like, throwing, catching, balance, rotation, swinging a club to alignment, patience and teamwork.

## WHAT WILL YOUR CHILD ACHIEVE?

Your child will experience putting, chipping and full shots, playing a round of golf as part of a group while learning the basic golf rules.
