SNAG Golf School Holiday Programme

If you're the kind of parent who wants their child to be learning new skills in a safe environment,
WOW do we have a programme for you.

Kiwi kids deserve an School Holiday Programme that is FUN, CHALLENGING & SAFE. That's why we've created a SNAG Golf Programme that ticks all of those boxes and is convenient for parents to drop off and pick up at a locations close to home.

If you are a parent that wants your child to learn something useful, be physically active and work together with other children in a safe environment with lead instructors that are not teenagers then this is the programme for your child.

That's why we have designed a School Holiday Programme that incorporates the FUN factor with the LEARNING factor.

Drop them off with the peace of mind that they won't be sat in front of a DVD but instead, challenged with a variety of activities that are fun, fulfilling and hopefully will make them want to come back.

The SNAG equipment is perfect at teaching the fundamentals of golf where success and enjoyment are the guiding principles.

The SNAG Golf School Holiday Programme is the ideal stepping stone for kids wanting to get into golf for the first time and for parents wanting to see their kids learn a sport that they will take with them into their future careers.

■ IT'S SIMPLE TO REGISTER

Visit our website snaggolf.co.nz book and pay for your child using our secure payment facility. We will do the rest.

■ WHAT THEY LEARN?

Everyone will learn the fundamentals skills like, throwing, catching, balance, rotation, swinging a club to alignment, patience and teamwork.

■ WHAT WILL YOUR CHILD ACHIEVE?

Your child will experience putting, chipping and full shots, playing a round of golf as part of a group while learning the basic golf rules.
